Letter of Enquiry on an Appeal

On July 31, 2006, we mailed an Appeal on a USAC- SLD decision about funding that was granted to the school. Monies were never paid and we were given a series of requirements and corrections, all of which the school completed. We never heard from your office. We received an administrator's acknowledgement letter from USAC to the copy we sent to them, but have not received anything from you. We feel we have been misled into purchasing equipment and services we could not afford because of the funds granted to us through the E-rate. I have called several times and have not been able to receive an answer. Please let us know where we stand on this matter. We are struggling for money and are in need of the funds granted to us a long time ago.

We have attached copies of the original documentation, and the USAC acknowledgement letter.

Sincerely,

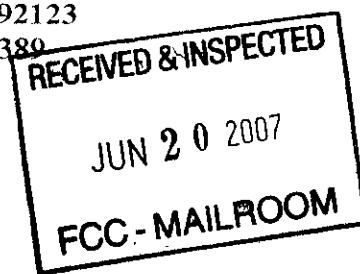

Rabbi Sincha Weiser
Headmaster

Letter of Appeal

This table below presents the sequence of event for the FRN 789322 . The funding was granted two years after the original request, and even though we provided all the information requested and received the necessary extensions, the funds were denied because the bill date was after the contract expiration date.

Please check the data, the providers' contract had a clause stating that the work depended on the granting of the funds, and once received, that will start the service which in this case was 04/13/2004 starting the one year period. Even then we did not receive the funds immediately, and had to go to a series of calls and filing of documentation till we received the letter granting the funds on 12/27/2005. A 474 form was resubmitted and still within the window, we received a letter denying the funds stating that the filing time had expired. This was not correct, since we were granted an extension deadline until April 26, 2006.

Please reconsider your decision. Since we had received the service, we had to pay for it, which has left the school in a difficult financial situation. We obviously would not have used the service had approval not been granted.

Re: SLD Invoice Number: 634490
SLD Invoice Line: 2301135
Vendor Invoice #: 543813
471 Application Number: 305442
Funding Request Number(s): 789322
Correspondence Dated: April 7, 2006

After thorough review and investigation of all relevant facts, the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal. This letter explains the basis of USAC's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission (FCC). If your letter of appeal included more than one SLD Invoice Number, please note that for each invoice for which an appeal is submitted, a separate letter is sent.

Funding Request Number(s): 789322
Decision on Appeal: **Denied in full**
Explanation:

You are appealing USAC's decision to deny payment because the bill date was after contract expiration date (CED) of June 30, 2003. You state that the Form 474 was submitted before the approved FRN 789322 filing extension deadline of April 26, 2006.

For FRN 789322, the service start date was listed as July 1, 2002 on your Form 486. Therefore, the period for which discounts currently apply is July 1, 2002 to June 30, 2003.

Information provided indicated that services were delivered outside of this period. You did not demonstrate otherwise in your appeal. Consequently, SLD denies your appeal because these services were not delivered within the service delivery period under program rules.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission (FCC). You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the USAC/School and Libraries web site or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

Thank you for your continued support of and participation in the E-rate program.
